PUBLIC NOTICE

EMERGENCY WATER LEAK REPAIR

LOCATION: 159 CENTER STREET

DATE: MONDAY, JAN 10, 2022

Monday, Jan 10, 2022.

An emergency water leak was found this morning and repairs are underway.

While this repair is being made you will experience water loss near this location until repairs are completed.

Once repairs are completed, today, water will be restored.

Once water is restored you may need to run the cold water to remove any air in the lines and to restore pressure. In addition, you may experience some discoloration in the water once restored. You may wish to refrain from doing laundry during this time and at least 24 hours after repairs are completed. If you should continue to experience any issues after a few days, please call our office.

We do apologize for the inconveniences this may cause. Please call the office if you have any questions. 302-697-6372 / email: info@cswswa.com

Respectfully,

The Camden-Wyoming Sewer and Water Authority.
